**PHYSICAL VIOLENCE AGAINST CHILDREN** -The intentional use of force against a child that results in or has the potential to result in physical injury or death. Examples include hitting, kicking, punching, beating, stabbing, biting, pushing, throwing, pulling, dragging, dropping, strangling / choking, smothering, burning, and poisoning

## CHILD NEGLECT

-Child neglect is any situation where parents or guardians purposely do not provide basic needs [food, clothing, medical care, shelter, education, etc.] or adequate physical and emotional care for a child. It may also involve the refusal of or delay in seeking care; inadequate supervision, abandonment, expulsion from home or refusal to allow a runaway child to return home.
